

## Business sectors

The SCOMO Group is active in all industrial business sectors.

Historically located in the heart of the European aerospace industry, with its head office in Toulouse, our group has deep expertise in that market, and understands the exacting requirements involved.

Our aerospace customers:  
(under construction)

The group is also active in the automotive, energy, agribusiness, medical, equipment manufacturing, general construction sectors.

(We plan to include a visual for each business area on our site)
